

2027 ALMANAC CALENDARS

Something New is in the Forecast from *Tru Art!*

More than dates. A year-round guide for home, farm, garden, and outdoor life.

Wall? Desk? Why Not Both?

Created for those who plan by the seasons, follow the weather, and value traditional almanac know-how. These new Tru Art calendars bring useful information for home, farm, garden, and outdoor life into every month of the year.

- Weather outlooks for every month
- Sun, moon, and zodiac details
- Planting, gardening, and fishing guidance
- Seasonal information for home, farm, and outdoor life
- The trusted usefulness of an almanac, built into a calendar

It also includes links to current weather and forecasting sources plus state extension office information.
